

PLV Block Watch Minutes  
10/4/13

Meeting was called to order by Art Welch @1:05 pm

Pledge of Allegiance

**Secretary Report: Michele Mellenbrook**

Michele read the minutes from 8/2/13

**Dennis Mowrey motioned** they be approved as read; Jean Covic Seconded. Passed

**Treasurers Report: Jean Covic**

Jean reported that we have \$549.79 in our accounts at Desert School. She reported that we made \$188.00 at the ice-cream social in August. **Dennis motioned** that we accept report as given; Celesta Seconded. Passed

It was mentioned that she write the check to PLV for \$188.00 as per the motion in previous minutes for the repair/replacement of the lights around the lake.

**New Business:**

**Michele motioned** that we reimburse Art Welsh \$18.00 for the monies he spent on reflective vests. Beano Seconded. Passed

**Old Business:**

3 solar lights have been placed with the Block Watch Grant monies.

It was mentioned that we still have some dark areas in the park and lighting should be placed there. **Dennis motioned** that Block Watch recommends to the PLV Board of Directors that dark area's in PLV be illuminated before existing lighting is replaced in cul-de-sac. Celesta Seconded. Passed

Art mentioned that new laws in effect that street signs be 6 inches instead of four inches. (PLV Board has checked on this, and since we are private we do not have to comply) .There are federal grant monies available and Art will check to see if we can get a grant for this project. (The Board will be changing some signs to 6 inch as needed). Dennis wondered if the signs could be lowered so they could be read easier.

Children have been seen in the common area climbing the trees and walking on the railing on the bridge. It was suggested that complaint forms be filed in the office. Question was asked: If there is a restraining order against someone; could the Board also file an order to keep that person out of the park? This is a legal issue, and unless the person has shown violent behavior toward neighbors and other residents we could not file an order. Those involved would have to file such an order.

It was asked if we have any reflective sashes left. Answer: No; and we cannot locate the material.

**Michele motioned** that we post the minutes in the Black Book and website; Beano seconded. Passed

Michele will contact web master to see how we can place an urgent pop-up message on web site.
